Client: British Telecom, UK

Education

2008 - 2012

Bachelor Of Technology

University Institute Of Engineer Technology, CSJM University Kanpur

Passed graduation in Information Technology with 72.1 %

2006 - 2008

Intermediate (Class XII)

Maharana Pratap Education Centre, Kanpur

ISC Board, Science Stream, 73.66%

2004 - 2006

High School (Class X)

St Anthony Senior Secondary School, Fatehgarh

CBSE Board, Science Stream, 87%

Skills

Component Design

(Telecom/Mobility Domain)

Data Mapping, Workflows, Design Management

Server & Databases

Linux, Oracle 11G

Languages & Technologies

SQL,C++,HTML, Python,Weblogic,Java, Unix & Data Analytics

Applications & Systems

HPSM, STORM, Microsoft Office Suite: Word, Excel, Outlook, PowerPoint

Core Competencies

- Component Design
- Roll out Management
- Server Management
- Large Scale Transformation
- Change Management
- Data Analytics & Management
- Monitoring & Prod Support
- Field User Support
- Live Deployments
- Debugging & Troubleshooting
- Client Management
- Alerts & Traps management

ORGANIZATIONAL SKILLS/ROLES & RESPONSIBILITY

Appointed as SGT (Self Governance Team) Member by Infosys.

Appointed as “Overall Student Co-ordinator” of placement cell of UIET,K during Aug’11- Apr’12.
